

The banner features a blue and white geometric pattern on the left. The text 'RICE OIL AND GAS' is in a large, bold, sans-serif font, with 'HIGH PERFORMANCE COMPUTING CONFERENCE' in a smaller font below it. To the right, there is a 3D visualization of a geological reservoir with color-coded layers (red, orange, yellow, green, blue) and a server rack on the far right.

HIGH PERFORMANCE COMPUTING CONFERENCE

Rice Oil & Gas HPC Conference

March 2 - 4, 2020

Poster Networking Session – Tuesday, March 3rd

We are pleased to announce that we are now accepting poster proposals for consideration to the 13th annual [Rice Oil & Gas High Performance Computing Conference](#).

The poster session is a unique networking opportunity for students. We have averaged about 500 attendees for the past five years spanning energy industry, IT industry, academia, and national laboratories. The poster session is open to graduate students and postdocs from all universities.

If you are interested in presenting a poster, please submit a title, a short poster description, and a list of people involved with your poster by [clicking here](#).

Please note – if you do not already have an EasyChair account you will be required to create one to access the submission page. If you already have an account and do not see the 2020 OG-HPC (Poster Session) submission track once signing into EasyChair, please click on this link again to see the poster submission page.

Deadline: Your title and abstract must be submitted for consideration no later than **Saturday, February 22nd end of day**. Please note, posters submitted after Feb 10th will not be listed in the printed program (they will be listed in the online program only).

While relevance to industry is a consideration, it should be interpreted **very** broadly. Keep in mind that the energy industry, IT industry, academia and national laboratories participate in this workshop.

Poster should be no larger than 48-inches by 48-inches (this is an absolute requirement). In case you need it, great PowerPoint poster templates can be found [here](#).

For more general information on the 2020 conference and related topics please see our [Conference Program](#).

**Submit your poster.
Beef up your resume.
Join us for great conversation and networking.**
